Description of Work:

CSE has been working on various projects for the City. Our Consultant's Roster services are related to small size projects not exceeding 50K in construction value. Typical projects include:

- Structural Engineering Design and Contract Administration Services for the exterior brick masonry repairs for the City Hall Building.
- The Foundation Design for the Fire/Life Safety Sign located at Fire Life Safety Education Centre Building.
- Structural Review for the exterior brick cladding at the Arena and Pool areas at a Recreation Facility.
- The Structural Engineering and Contract Administration Services for a Recreation Centre Pool.
- The Structural Investigation of a Park Barn.
- The City of Brampton Roster Consultant Services provides us with a source of regular work.
